

LUCKY SPOON

COVID-19 UPDATES

OUR MENUS

We are running our full menus as normal.

When placing your order there is the option to have your buffet package or sandwich selection boxed up into individual portions. Each person then takes their own separate lunch box minimising contact between people & surfaces.

For example if you order the Classic Buffet:

Mixed Sandwich Rolls , Sausage Rolls, Veggie Quiche, Brownies & Blondies

Each box will contain:

3 Assorted Sandwich Rolls, 1 Sausage Roll, 1 Veggie Quiche, 1 Brownie or Blondie

Of course please enter dietary requirements as usual and we will make separate veggie/vegan/GF boxes.

OUR PROCESSES

As a commercial kitchen we are very used to sanitising every few minutes. But in addition we have put the following measures in place:

- Temperature checks for staff before each shift
- Staff work on separate prep benches separated by 2m at all times
- Gloves & masks to be worn during food prep, packing and delivery
- Contactless delivery to customer, we leave the bag outside your building or office and call to notify that we have arrived

WE LOOK FORWARDS TO SEEING YOU AGAIN SOON
